S i r,

In forwarding herewith copy of resolution No. 9 dated the 31st October 1919 of the Kolar Gold Field Sanitary Board recommending increased rates of pay to the Maistries and Vaccinators of the Board, I have the honour to state that the Government in their Order No. 5044-63 San. 68-16-6 dated the 9th March 1918 have revised the grades of the Vaccinators in general. But difficult as it is to get the prescribed minimum number of Vaccinations done by them, the Medical Officer of Health is of opinion that a special scale as embodied in the enclosed proposition statement will answer all local requirements. He further states that the area to be covered by them being small there is no need for a conveyance allowance, and in lieu thereof proposes a local allowance of Rs. 5/- per mensem. The Board approves of the above proposals.

2. The Maistries and the Plague Police Constables are supervising the work of the Conservancy department under the guidance and control of the Sanitary Inspectors and also register

births and deaths. They are now getting Rs. 11/- each. On the Mining area, men doing similar duties are being paid higher salaries and consequently the maistries under the Board have a real grievance. Seeing that their work requires literacy and experience and considering that the cost of living is now-a-days higher than it was formerly, the Board are of opinion that the proposal of the Medical Officer of Health to raise their pay to Rs. 12 - $\frac{1}{2}$ - 15 is modest and necessary.

3. Shama Rao, the present Sanitary Overseer is attending to vaccination work in the Robertsonpet circle in addition to his own duties, leaving the other two vaccinators free for work in other circles. The proposal of the Medical Officer of Health to give him an allowance of Rs. 5/- per month for such work commends itself to the Board.

4. The sanction of the proposed revision will entail an additional cost of Rs. 100/- per month or Rs. 1,200/- per year which will be provided for in the budget for the next year.

5. The amount required for the current year will be met by re-appropriation from saving under other heads before the close of the current year.

6. The Scheme may be given effect to from the 1st of March 1920 and sanction of Government may be obtained therefor at an early date.

I have the honour to be,

Sir,

Your most obedientservant,

President,
Sanitary Board, Kolar Gold Field.
